

Edger Update #4...May 1st

Edgers! We are just 10 days away from the 2018 Over the Edge event. Please take a moment to read the following important updates.

Progress Update... We currently have 94 people signed up to rappel down 300 Delaware Ave on May 10th! This is an incredible number. See the Edger List as of 4-30 to find out who is going over with you next week.

Schedule Your Rappel Time... Folks are hitting the \$1,100 mark and the schedule is filling up *fast* (especially in the morning hours). Be sure to make a last-minute fundraising push so that we can go ahead and get you scheduled.

Credit Card Guarantee Form... In order to get scheduled without hitting the \$1,100 mark, please consider filling out the Credit Card Guarantee Form. This form is your way of saying "I am not at the \$1,100 yet, but I know I will get there by 2 weeks post-event." We will not charge the card on file without touching base with you on May 24th.

In order to get on the schedule ASAP, please simply fill out the Credit Card Guarantee Form and scan/email it back to me (cplummer@udel.edu) or fax it to 302-831-3483

Edger Bio... Please take a moment over the next few days to fill out your Edger Bio. This information will be used by our livestream emcees and DJ to announce your rappel.

Livestream... Here is the link to this year's livestream:

Feel free to share this with friends and family who want to watch you go Over the Edge.

Thank you!
